

Checking your grades

Use the Grades page to view your grades on marked assignments and quizzes, as well as statistical information released by your instructor.

To access your grades, select the **Grades** link from the Course Home navigation bar.

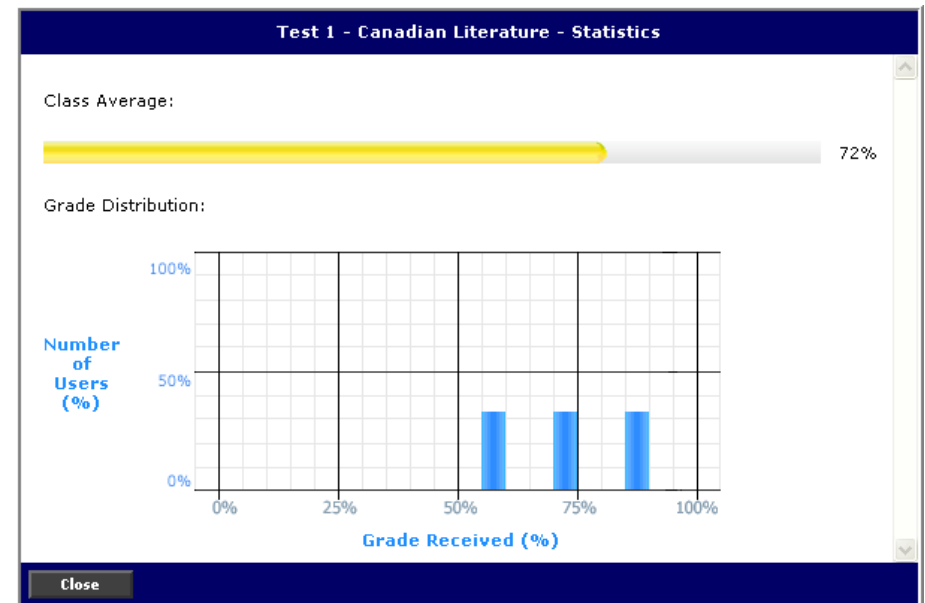

The Grades page displays.

Viewing the class average and other statistics

From the Grades page, click the **View Item Statistics** icon () to view statistics on assignments or units of work.

The Statistics page displays.

Statistics can include:

- Class average
- Grade distribution by number of users
- Final grade.

Note Depending on the permissions set by your organization or instructor, you may not be able to view all of the statistical information.
